Greetings EOV Neighbor!

On behalf of the East Ocean View Civic League, I would like to thank you for supporting our local EOVCL newsletter. Your support not only benefits your business, it also helps us build our community. As your business thrives, so does East Ocean View! Advertising dollars are used to support many local activities in our community.

Attached, you will find a grid of our very affordable advertising prices. We have decided to go with annual advertising rates. The EOVCL newsletter goes out to each of the civic league members electronically via email and has a press run of 500 copies which are distributed throughout the community. In addition, the newsletter is posted on the livingeov.com website and can be downloaded and shared with others.

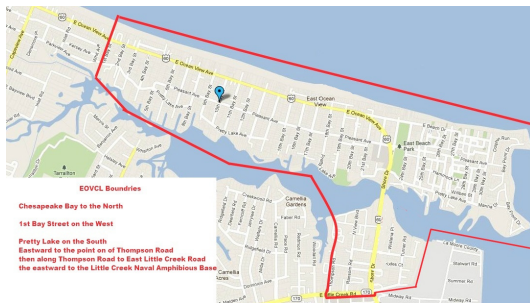

The East Ocean View Civic League is one of the most active civic leagues in Norfolk. I encourage you to go to our website: <http://www.livingeov.com> where you can download a copy of our current issue of the newsletter. This newsletter continues to receive very positive reviews and is helping us build our community. If you agree to advertise with us, we will provide links to your business on our website and Facebook pages.

If you have any questions or would like to advertise, please email, call or return the enclosed contract.

Thank you for investing in our community!
Ann Bolen
