

If attacked...

Run to the nearest residence or business. Cries for help can discourage criminals and may result in their arrest..

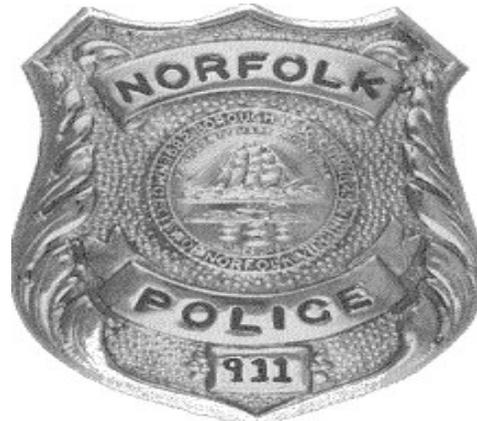

- If you choose to physically resist, take advantage of any “weapons” you may have, such as a purse or an umbrella.
- Attempt to determine point of identification, such as clothing, glasses, scars, hair color, and height. Call the police immediately.
- The choice of whether or not to physically resist attack can only be made by you. If the assailant is armed, your options are limited. There is no way to predict an attacker’s actions.
