

Pipeline Replacement Project

Project map affected streets highlighted in red (above)

E. Ocean View II SAVE

Virginia Natural Gas provides safe and reliable natural gas service to more than 300,000 customers across southeastern Virginia. To ensure that safety and reliability are maintained we have already made significant enhancements to portions of our natural gas distribution system and we plan to continue by replacing more than 200 miles of older aging underground infrastructure with new more modern pipes in coming years.

The work in your neighborhood is part of the company's natural gas infrastructure modernization program known as SAVE (Steps in Advancing Virginia's Energy Plan). This program allows us to make necessary upgrades to our natural gas pipeline system with the expectation of increased safety reliability and lower operating costs while supporting the local economy by providing jobs and reducing emission.

As part of this project we will replace aging mains and services which may have developed leaks or become damaged over time due to road projects or age. The older pipe will be replaced with new polyethylene plastic that is less expensive to maintain and more durable. Perhaps best of all we're ensuring families and business owners have ready access to America's most abundant environmentally friendly fuel ... today and tomorrow.

Virginia Natural Gas 544 S. Independence Boulevard Virginia Beach VA 23452

City affected - Norfolk

Streets affected

E Ocean View Ave. Nansemond Bay St.
 Bayside Ave. Rugosa Rose Ct.
 Pleasant Ave. Pretty Lake Ave.
 14th Bay St. Lamesa Ave.
 15th Bay St. North View Blvd.
 16th Bay St. Ransom Rd.
 17th Bay St. Dunning Rd.
 18th Bay St. Hacienda St.
 19th Bay St. Caliente St.
 20th Bay St. Wisteria Pl.
 21st Bay St. Turner Rd.
 E. Beach Dr. E. Little Creek Rd.
 Shore Dr.

Project scope

Installation of:

- 17,609 feet of 2" plastic gas main
- 1,732 feet of 4" plastic gas main
- 10,708 feet of 6" plastic gas main.
- 365 # of service renewals/customer services

Our commitment

We understand your time is valuable so we take great care in implementing construction practices that limit disturbances to homeowners and businesses. We appreciate your patience and understanding as we work to complete this important work.
