

The East Beach FORUM Presents:

# The Virginia Aquarium's STRANDING RESPONSE Program

Sunday, October 3<sup>rd</sup> 1:30 - 3:30 pm

East Beach Bay Front Club  
(4550 East Beach Drive)

Join us as we learn about the marine animal Stranding Response program headquartered at the Virginia Beach Aquarium & Marine Science Center. Mark Swingle, Chief of Research & Conservation for the Aquarium, will share with us the vital role the program serves in Hampton Roads and throughout the state for marine mammals and sea turtles that occasionally get stranded on our beaches.

This program is free of charge; but space is limited\*.
